POLITIKE NI GATEBE GATOKI KOKO.

U Rwanda rwiruka amashyamba cyane cyane muri politiki ku buryo ntawakakaga ko mu mezi atandatu gusa amashyamba amaze, abantu bahaguruka bakajya mu mihanda kugaragaza akabari ku mutima. Ni nde se wakakaga ko Abatutsi bari bafashwe nk'abana b'ikinege ku butegetsi bw'ishyamba rimwe, amashyamba yaruka akaba aribo bafata iya mbere mu kurya mu myigiragambyo, bagambirije kwerekana ko badashakira ubutegetsi bwa HABYARIMANA, ndetse bakamagaragaza ko barambawe n'ubutegetsi bw'Abahutu ngo barega ko bwadindijwe ikibazo cya bene wabo b'Impunzi. Nyamara se hagati ya 1959 na 1973 hari umututsi wanyaga bikamugera ku nzoka. Aha ndavuye Abatutsi rubanda rugufi kuko abiyitaga ko bafite ubwenge ni nabo bashozaga imururu kandi akenshi bakibagirwa ko imururwaho yose bashozaga ari bo yahitanaga. None se revolusiyo yo muri 1959 yashojwe na nde? Si abo Batutsi hari bamaze kurengera maze bakadukirira MBONYUMUTWA bagakubita! Ibyakurikiyeho se kuki bitababera isomo. Kuko Abahutu bose bahise batumanaho bakora ikintu kimeze nka Rukokoma maze bihakana bene gatutsi izuba riva. Ni byo byagombye kuba bihagije ku Bahutu bagishakira ubwiyunge bwabo kugira ngo bibabere isomo. Abatutsi dusangiye u Rwanda kuko ari urwacu twese kandi nta n'icyo twabatwara, byanze bikunze tugomba kwubahana kandi tugasingira byose.

Icyo tudashakira ni kiriya cyo kudusuzugura. Ni kiriya cyo guhora badutera baturutse kwa bene wabo muri Uganda n'i Burundi nk'uko Inyenzi za kera zabigenzaga. Mu gihe ako gasuzuguro kabo katarabashiramo, mu gihe uwo mutima wo kwanga kurongora bashikiye bacu utarabashiramo, mu gihe bakumunyisha ko bakumunyisha aho.

geka, ibyo byose niba batabyibagirwa, amacakubiri azahoraho. Usibye ko iyi ntambara y'Ukwakira izasigira HABYARIMANA isomo ryo kumenya umwanzu n'umukunzi.

Ni ibiki HABYARIMANA agombye kuzirikana by'umwihariko.

Icyo mbere umuntu yakwibaza ni iki: Ubu HABYARIMANA natsinda amatara agakomeza gutegeka uru Rwanda azabana aho n'Abatutsi yari yarategesheje bakamwereka igihandurire, bakoresheje iterabwoba ryo gutsemba bene wabo iyo mu Mutara no muri Butaro. Tubiteze amaso.

Ibishyitsi bya HABYARIMANA niyo mizero ye mu minsi iri imbere. Nubwo nta byera ngo de, HABYARIMANA yagaragaye ubwitonzi mu guhitamo abafasha be, no kwitondera kudahutaza abazamubera ingirakamaro. Aha twatanga urugero kuri bariya bungiriza b'Ingabo barimo RWAGAFIRITA, SERUBUGA na NDINDIRIYIMANA mu rwego rwa gisirikari.

Yego nta marayika kuri iyi si ariko rero mu gihe bariya bagabo bakiri mu myanya yabo ntacyo HABYARIMANA azaba. Yewe nibanakohere. Bashobora no kumufasha gukora OPERATION nk'icyo muri Togo!

No mu basiviri ahafite abagabo b'Intarumikwa nka MUNYAZESA ubu benshi bifuzaga ko yazaba Perezida wa M.R.N.D. binyuze mu matora. Uwo mwanya yawuharanira hamwe na ba NGIRUMPATSE Matayo ndetse na NSANZIMANA Sylvestre ukekwe cyane no kuba Perezida w'Urukiko rusasa imanza, aho yajya gusimbura KAVARUGANDA wagaragaye ko atakivuye rumwe n'abasirikari (ibyo byose ni ibirugwa n'abahanga mu bya politiki) ndetse NSANZIMANA ntacyamubuza no kwibwira Chancelier akajya aha Intwari imidari. Abandi bagomba gufasha HABYARIMANA ni NZIRORERA Joseph wemerwa cyane cyane n'Abahutu bagishyigikiye ubwiyunge bwabo kandi uwo NZIRORERA akaba akumunyisha na benshi mu

batuye Gisenyi-Ruhengeri-Byumba. Undi ugomba kuguma iruhande rwa HABYARIMANA ni RUHIGIRA Enoki ufite amahirwe yo kumenya gukina politiki.

Hari n'abandi bagaragara ko bazakomeza gukorera HABYARIMANA bakamuhira icyizere cyo kuzabona amajwi mu mpande zose z'u Rwanda, nka NZABONIMANA Callixte wemerwa ko bamumena n'umutwe kubera HABYARIMANA, n'abandi n'abandi...

Ni ibiki bituma abatwaga bagabanyira icyizere kuri HABYARIMANA?

Aha hari aho abatwaga usanga batumye impamvu heze politiki yo kuzarira mu makorosi. Ugasanga hari nk'umutegetsi usanga bigaragara ko adakunzwe n'abatwaga, aho kugira ngo hafatwe ibyemezo byo kumuhindura ahubwo bakamuhira urubuga rwo gukomeza kwica.

None se bishoboka bite ko amashyamba yose (uhereye kuri M.R.N.D.) yemewe mu Rwanda yakwamaganira rimwe Perefe w'Umujyi wa Kigali, Colonel RENZAHU, bese bagasaba ko yahindurwa ariko bikanga bikananirana. Bishoboka bite ko ba Kavukire bo mu mujyi wa Kigali ba saba ko yahindurwa ariko bikanga bikananirana. Bishoboka bite ko ba Kavukire bo mu mujyi wa Kigali bagaragaza ko batishimiye Colonel RENZAHU ndetse na Perezida w'u Rwanda akabimenyaye, ariko akaba agakomeza gutegesha igitugu. None se ni nde utazi ko na ba Depite basabye ko itegeko rishyiraho Perefegitura y'umujyi wa Kigali ryakurwaho maze abatwaga bagakunda bakagira amahoro. Ibi icyo witegereje usanga ari bimwe bizatuma HABYARIMANA abura amajwi ya ba KAVUKIRE ka Kigali.

Ubukotanyi buri imbere mu gihugu.

Iyi ntambara igitangira wasangaga Abahutu bese bashyize hamwe ngo wenda babona uko batsinda Inkotanyi. Nyamara Demokarasi yazanywe n'amashyamba menshi yatumye Abatutsi bihimbira muri ibi abandi

bihishya mu yandi mashyaka, nti-byababaza kugaragaza ku mugaragaro ko bashyigikiye umwanzi. Hari uwakwese ko TWAGIRAMUNGU, umukwe wa KAYIBANDA, yababwirwa mu Nkotanyi yego nawe tuzi ko ari umututsi wahinduye ubwoko.

TWAGIRAMUNGU ntabwo yabeshya. None se si we wahagurukiye gufatanya n'Abatutsi bose bo mu Rwanda mu gukwiza ibihuka bagambiriyeko kubuza rubanda kwemera amagambo y'ingirakamaro BARAHINYURA wahozwe mu mutwe u'Inkotanyi atangiye gutangariza abanyarwanda ku byerekeye Inkotanyi n'Ibyitso byazo.

Nyamara Abahutu benshi bashinashijwe na kiriya cyemezo cya BARAHINYURA cyo kuba mu Nkotanyi maze kumenya imigambi yazo. Aha tukaba turaritse buri munyarwanda kuzasoma igitabo BARAHINYURA agiye gusohora kivuga akarimururi ku Nkotanyi, usibye ko natwe uzakomeza kubatagariza ibyo yatubwirye ku byerekeye ubukotanyi bwa benshi mu bategetsi b'iki gihugu, bakitwihishemo. Hari ibimenyetso bigaragaza ko bakorana n'umwanzi.

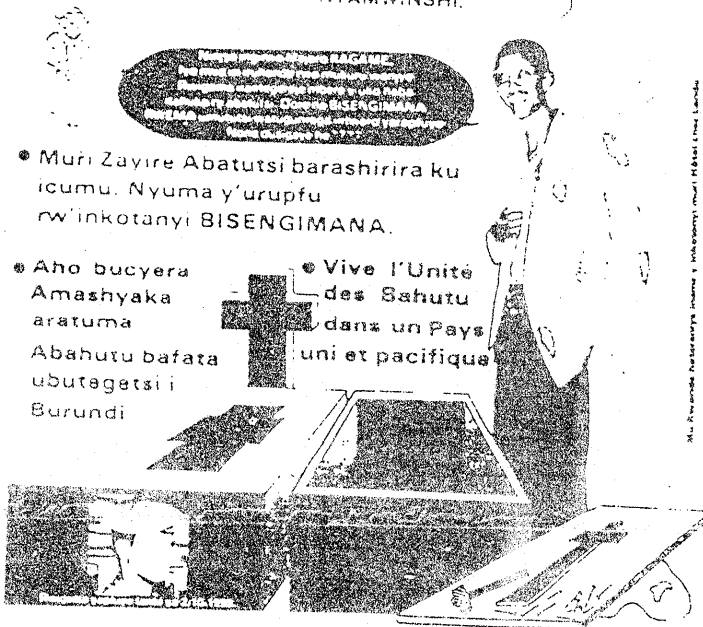

Mu mirongo ikurikira, nimwisomere igisubizo BARAHINYURA yoherejereje TWAGIRAMUNGU amushyamba kudakomeza kwihakana ubukotanyi bwe na n'ubu Faustin agikomeye. Mu magambo yatangariye inshamba ya Radio B.B.C. yo mu Bwongereza yumvikaniye i Kigali kuri 12 Gashyamba 1992, TWAGIRAMUNGU yemeye imbere ya mikoro ya NUBAHUMPATSE ko ku giti cy'agonoye umwanya wo kuba Minisitiri w'Intebe atazuyaza mu gushyiraho ba Minisitiri yavana mu Nkotanyi ndetse ngo n'izo Nketa yazinjiza mu Ngabo z'u Rwanda. Iryo somo ngo yariyaye muri Mozambique iyo ba Museveni na Rwigyema bigiye kuba ibihararumbu, inyeshyamba zitagira roho n'umutima. TWAGIRAMUNGU muramuzi si Rukokoma gusa ni Nta bundi byagenda, kuri we nta kibi kiriho ni Mpemuke Ndamuke.

Twongere twibutse ko abantu BABYARIMANA ariahinduye agiye ubutegetsi yihariye, atazongera kubona ubushobozi bwo kubahindura aho yishakirye, kuko ubu ibyemezo byo kubahindura azajya abijyamo impaka n'Amashyamba yemewe na Minisitiri w'Intebe adashyamba.

LA LIBYE SACRIFIÉE POUR LES ELECTIONS PRESIDENTIELLES AMERICAINES:

A l'approche des élections présidentielles aux Etats-Unis, les politiciens américains cherchent à tout prix à recueillir le maximum de voix notamment auprès des Juifs, très nombreux aux Etats-Unis.

Pour y parvenir, ces mêmes politiciens cherchent un bouc-émissaire devant être sacrifié. Actuellement, ils ont choisi la Libye comme cible pour plusieurs raisons : - Il existe en Europe des journaux qui ont été manipulés par des ennemis de la Paix pour qu'ils s'attaquent à la Libye pour une période de 20 ans.

- l'extrémisme des Juifs qui prennent la Libye comme ennemi numéro un pour avoir manifesté son soutien aux Palestiniens afin de libérer leur patrie et les territoires occupés par la force par Israël.

- La Libye est prise comme cible pour avoir pris les devants pour condamner l'Etat hébreu qui occupe illégalement les territoires arabes. Il y a d'autres raisons qui

font que les Etats-Unis d'Amérique s'époumonent pour détruire complètement la Libye dans les plus brefs délais :

- Les USA savent très bien que leurs intérêts chez les pays arabes pourraient diminuer considérablement dans les jours à venir. La Libye a en effet déjà commencé à éveiller les pays arabes pour qu'ils protègent leur patrimoine pour qu'il ne soit pas pillé vers l'Occident.

- Parce que la Libye éveille constamment les pays musulmans et d'autres pays africains encore en voie de développement.

- Parce que la Libye se bat pour que les arabes aient une indépendance complète et constituent une et une seule nation.

- Parce que la Libye est un pays qui lutte pour que les pays africains aient une auto-suffisance alimentaire.

Pour toutes ces raisons évoquées ci-haut, la C.I.A. (agence de renseignement américain) en connivence avec ses satellites européens

ont monté de toute pièce un acte d'attentat meurtrier. C'est ainsi qu'ils impuntent à la Libye l'accident d'un avion américain, survenu en 1988.

Rappelons que lorsque les Etats-Unis avaient bombardé la Libye en 1986 prétextant qu'elle avait trempé dans l'attentat de Berlin, les Etats-Unis affirmaient également qu'ils luttèrent contre le terrorisme international. Mais il s'est avéré que c'était de la pure injustice. Rappelons également que la prétendue responsabilité dans l'attentat contre l'avion américain avait d'abord été imputée à l'Iran, puis à la Syrie ensuite aux Palestiniens. Et voilà qu'après trois ans, c'est le tour de la Libye et dans le seul

but de nuire à ce pays et surtout pendant ces périodes de multipartisme auquel le monde est confronté. Les Etats-Unis font cela sans preuves tangibles et palpables, mais seulement dans le seul objectif de faire de la Libye un bouc-émissaire dans la perspective des prochaines élections présidentielles aux Etats-

AK'ABAHUTU KASHOBOTSE MU IJORO RYO KU WA 27/1/2011

Dutangiyeye umwaka wa 2011 Yesu aje ku isi. Ubwo hashize imyaka 20 inyenzi z'abatutsi biyise inkotanyi zifashijwe n'uwari Perezida wa Uganda Yoweri Museveni ziga-bye ibitero simusiga mu Rwanda. Ibyo bitero byari bigamiye kugarura ingoma-ntutsi no kwica icyitwa umuhutu cyose. Nk'uko rero byagendekeye izayibanjirije zo hagati y'1960 n'1967 byo ntambara yagezeho nayo irahohotse nyuma y'imyaka ibiri n'amezi ari itangiye. icyo gihe ngabo z'u Rwanda zaharwanyeye inkundura zishobora kumenesha nwanzi ahungira ubudasubiza imaso inyuma aho yaturutse amaze gutakaza abantu n'ibintu byinshi.

Ariko kubera ko abatutsi bashoboraga na rimwe kuva ku izima barongeye barisuganyaga kandi mu ibanga basanganywe aho bari hose. Ariko babanje guhura n'ikibazo cy'aho bitoreza hisanzweye. Ubutegetsi bwa Uganda bwari bwarasubiye mu maboko y'Abagande ndetse butegekwaga n'umuntu ukomoka mu majyaruguru y'icyo gihugu wari waragaruye umubano utagira amakemwa hagati ya Uganda n'u Rwanda. Muri Tanzaniya ho ntibashoboraga gukandirayo kuko abahutu b'i Burundi bari barashinze ibirindiro kandi n'ubutegetsi bwaho busigaye bwumva neza ko abatutsi bashakaga kwigarurira Afurika. Zayire niho inyenzi zashakiraga icyambu ariko abategetsi bashyaga, kuko Mobutu we yari yasezerewe, bari barambuye abanyamahanga bose barimo impunzi z'abanyarwanda imyanya bari bafite mu nzego zinyuranye.

U Burundi rero nibwo bwari busigaye ari indiri y'inyenzi. Igihugu cyose cyari umunuko w'intumbi z'abahutu bagendaga batakizwa. Kuko kuva ku munsu wa mbere w'igitero muri buri selire hari hanyanyagijwemo abasirikare b'inyenzi n'ibitso byazo by'abatutsi bafite imbunda maze bakababashinzwe kwica umuhutu wese naho yaba atazi no gusoma izina rye. Za tingatinga zo gucukura ibyobo byo kurundamo icyo mirambo yose zakoraga amanywa n'ijoro ariko ntizigire aho zikora kubera ko zari nke ugereraniye n'ubwinshi bw'abapfuye. Wasangaga rero intumbi ibihumbi n'ibihumbi ziborera ku gasozi, mu mazu, ku mihandi n'ahandi n'ahandi.

Ubwo buri selire, segiteri, komini, perefegitura byari byahawe abayobozi bashya b'abatutsi gusa. Ibigo byose bya gisirikare byategkwaga na ba ofisiye b'abarundi. Leta y'agateganyo yahise itangira imirimo yayo, abahaze mu ya mbere bo bari bamaze kwicwa uretse abatutsi bari bayirimo. Ariko nabo bahawe indi mirimo iciriritse kuko batari bizewe cyane nubwo bari bagize uruhare runini mu gutuma inyenzi zigarurira igihugu. Inzego z'ubucamanza zari zahawe abandi bakuru bazo nabo b'abatutsi gusa. Inama nkuru yo kuzahura igihugu ari nayo urebwe yategukaga yari yashyamba

n'umwishwa w'uwahaze ari Jenerali Rwigyema Freddy umwe ingabo z'u Rwanda zahitanye mu kwakira 1990. Amashyamba yose yari yahagaritswe uretse ay'abatutsi. Inteko ishinga amategeko yahise iseswa na rindi abenshi mu bayihozemo b'abahutu bari barishwe n'inyenzi. Imirimo yose ari muri Leta, muri za ambasade no mu bigo byigenga yari yarahawe abandi bakozi bavanze mu n'abanyamahanga iryaguye bo kuziba icyuho. Buri nzu nziza yose itari iy'umututsi yahitaga yamburwa nyirayo igahabwa uwo yagombaga kugenerwa.

Byose bimaze gutungana, ni ukuvugira igihugu cyaguye mu maboko y'abagitwe n'ibitso byabo nibwo ubutegetsi bushya buhitashije iri tangazo: «Banyarwanda, Banyarwandakazi, mwari mumaze imyaka mirongo itanu ku ngoyi z'inkozi z'ibibi n'inkoramaramaso z'abiyitaga abahutu, zabicaga urubozo, zikabandindiza muri byose. None nimwishime, mukome amashyamba, muvuzwe imvururu kuko umwanzi wanyu atazongera kurangwa ukundu kuri ubu butaka bwa ba so na ba sogokuru; twiyemeje rwose kumubakiza tutazuyaza. Kuva mu 1960 kugeza icyo munsu w'agakiza twarabarwaniriyemo ndetse abenshi bo mu miryango yanyu bahamenera amaraso; ariko nta kundi byari kugenda kuko twari tuzi ko igihe kizagera tugatsinda. Abari bacyiye akenye muri mwe ku itariki ya 1/10/1990 muribuka ukuntu urugamba rwaremye rukabura gica ndetse tukarutsinda kuko iby'inshi mu byo twashakaga twabigezeho. icyo gihe twahatsinze ibitego bidateze kwibagirana mu mateka y'u Rwanda. Ni nayo mpamvu guhera icyo mwaka icyo tariki ya 1/10 izajya yizihizwa kimwe n'icya 27/1. Mukomere icyakora ku muheto kuko uwo mwanzi urangwa n'ubugome ashobora kwongera kubyutsa umusaya kuko umutwe wo twawujanjaguye. Mu minsi ya vuba muzihitiramo abayobozi mu nzego zose z'ubutegetsi n'iza politiki.

Mukomere ku bumwe bwanyu, muharanire amahoro hagati yanyu ari nabyo nkingi z'amajyambere n'imibereho myiza y'imiryango yanyu. Murakarama! Iryo tangazo ryasomwaga buri saha kumara

Iminsi yarashize indi irataha, bamwe mu bahutu bake bashoboye guhunga batangira kumvisha amahanga amarorerwa mu Rwanda n'inyenzi zari zimaze gufata ubutegetsi bafashijwe na cya kinyamakuru Kangura ariko biba nk'ibyo kumoka kw'imbwa gusa kuko aho bageragezaga gukandira hose babateraga utwatsi ngo barabeshya kubera ko ahantu hose inyenzi n'ibytso byazo na Leta y'u Burundi babaga bahabatanze. Ntibyabujije icyakora abo bahutu kujya bandika, bavugira ku ma radiyo no kuri za televiziyo zo hanze, basobanura ibyari bimaze kubera mu Rwanda ndetse bashyiraho n'umutwe w'ingabo ukorana n'uw'abahutu b'i Burundi wo kubohoza ibihugu byabo. Ariko uko bateraga agatambwe za nyabusa zabaga zabarabutswe zikabatsimbamo abatari bake.

Abategetsi bashya b'abatutsi gusa bihatiye mbere na mbere gusibasiba hose mu mateka y'u Rwanda ibijyana na Revolisiyo y'abahutu

yo muri 1959 byose, bashyiraho amategeko abangamira ukwishyira ukizana k'umuhutu waba yaragiriwe akabanga. Abasore b'abahutu babaga bakenewe mu kubakorera imirimo y'ingufu barabakonaga naho bashiki babo bakabagira ingumba; bityo inyoko hutu ikazazimangana buhoro buhoro; ni nabwo buryo bwari bumaze imyaka cumi n'itanu bukoreshwa i Burundi mw'ibanga.

Tariki ya 27 mutarama ya buri mwaka hatangiraga iminsi mikuru yamaraga icyumweru kizima mu byishimo ntutsi by'akataraboneka. Amasambu yose yera yagabanywe n'imiryango y'abatutsi gusa. Igipande kinini cy'ubutaka giharirwa inka zabo n'amapariki y'inyamaswa. Nta mwana w'umuhutu n'umwe naho yaba ikimanyi muri bake bacyitse ku icumu wemererwaga gukandagira imbere y'umuryango w'ishuri, wa Kiliziya cyangwa w'ikigo cya gisirikare.

U Rwanda n'u Burundi byahise bishyiraho umutwe umwe w'ingabo utegekwa na Jenerali w'umurundi yungirijwe n'umukoroneri w'umunyarwanda. Birumvikana nyine ko ari nta muhutu n'uwo kubara inkuru wari ukirangwa muri izo ngabo. Nyamara umwana wese w'umututsi wagezaga ku myaka 16 yoherezwaga mu bigo bya gisirikare kwitoza kurasa mbere yo gukomeza amashuri cyangwa gukora akandi kazi. Mu gihe kitarenze umwaka Repubulika zombi ziyunzemo igihugu kimwe cyitwa «KANYARU» gituwemo n'abanyakanyaru (les kanyarois (es).

HARABAYE NTIHAKABE

Muri Gashyantare 1972, amaze amaze kurenga inkombe ku buryo muri Kaminuza hari hasigaye harangwa n'ubwiganze bw'abanyeshuri bo mu bwoko bw'abatutsi, ni bwo abahutu bemera revolisiyo ya 1999 barakaye, amalisti aramankw, abahunga barahunga.

Imvuru, zabaye icyo gihe zanzwe n'uburyarya bw'ubutegetsi bwariho kuko ku mugaragaro berekanye ko bashaka kuzihosha, nyamara bagaca inyuma bakenyeyeza umuriro rwihishwa. Ibyo ndetse ni imwe mu ntandaro z'ihirikwa ry'ubwo butegetsi kuko ntacyo bwari bugishoboye mu gihe bwashyigikiraga imyiryanze kandi ari bwo bwagombye kugerageza kuyihosha. Baca umugani ngo «Ijoro ribara uwariraye». Uroye uko bifata muri iki gihe, wagirango abatutsi bibagiwe ibyabayeho icyo gihe. Nyamara se kwibagirwa kwa he ko ari ukuzambya isaso ngo barore ko baramuka.

Ku ruhande rw'abahutu bamwe nabo, imyifatire yabo iributsa wa mugani ngo «Itabi ry'i Nduga ni

kaburabuza kuko uriyinga, rikaguteranya, utariyinga nabwo ukarirara».

Birababaje kubona umunyamakuru nka Musangamfura Sixbert kimwe n'Ishyaka nka MDR na PL bijundika abantu b'ibikurankota bafashe iya mbere muri 1972 bagasubiza umututsi mu mwanya we. Igita ngaje cyane ni uko abo bapfamutima bashakira kubihereza ku bo bita «abakiga» nk'aho ari bo bategekaga icyo gihe. Ese ubundi tutagombye kurora abari bagize «comité de salut» tukazirikana gusa icyo bakoze, iyo kidakorwa ubu u Rwanda ruba rugeze he? Mbibutse ko abatutsi muri Kaminuza icyo gihe barengaga 60%. Naho kwigira inyarunge, ukirinda kugaragara aho rwakomeye, hashira imyaka n'imyaka ukabona gusodokana akarimi gasize umunyu wishyira aharyoshye ngo «mwa batutsi mwe dore ababasagariye ni bariya bakiga» ni imyifatire iranga abantu b'ibigwari. Dore nk'ubu abahutu bazi gushishoza baravugaga iya bahanda bagerageza kubumvisha ko umwanzi yabace-

ngeyemo, mukayavuniramo ibiti ngo aho gutegekwa na Habyarimana muzategekwa na Kagame! Umunsi ba rudasubira rwakomeye barakaye bagashyiraho «comité du salut» yo kubakura muri icyo mihanda musigaye mujijishirizamo ab'injiji munadukingiriza umwanzi ngo tutamenya aho ageze, nyuma ntumuzongere gusodokana ka karimi kanyu ku ko tumaze kubamenya: mu bahutu muri abahutu, mu batutsi muri MDR na PL, mu mahanga muri inkotanyi,... muri ba kaburabuza nk'itabi ry'i Nduga. Imyifatire yanyu kandi ntatangaje kuko mwiganjemo imvange nka Twagiramungu, zitwa abahutu kw'izina rya ba se, naho ingiro yabo igahora igamiye inyungu z'imiryango ya banyina. Ariko ubundi Twagiramungu apfana iki na Sekuru kwa Nyina. Aho azi se? Niyo waba witwa Kayibanda nta kiremwa-muntu gishobora guharanira inyungu za se ngo cyibagirwe iza Sebukwe. Ibyo kandi byagaragajwe n'imisaranganyirize mibi y'imyanya mu mashuri byaranzwe Repubulika ya mbere, kimwe n'imyifatire mibi ya Twagiramungu yambariye gutoza ishyamba yihaye

kuyobora (niba atari kuriyobya) akiyoroza ibinoti by'umwanzi ukorera muri PL.

Hari na ba Mugenzi bishuka ngo ishyaka PL si iry'inkotanyi, ngo kuko ubwabo barishinze inkotanyi nka Kameya, Mbanda... zikazamo nyuma. Mbega ubuswa ! Umwana w'igitambambuga we ayobewe ko mu mayeri yabo yo kwigarurira ubutegetsi, abatutsi buri gihe biri-nda kugira icyo bahindura kubya-riho, ahubwo babyifashisha mu gu-shimangira ubutegetsi baba bamaze kwigarurira ?

Mu mateka y'u Rwanda niko buri gihe byagiye bigenda. Mu ikubitiro rya mbere bakiva muri ABISINIYA, basanze mu Rwanda hari abami b'abahutu bafite ibihugu batwara, ingoma, n'abiru. Abatutsi nta kindi bakoze uretse gusimbura abo bami ku ntebe zabo, abiru bakomeje akazi kabo, na za ngoma zihinduka iz'abanyiginya.

Kuva muri 1973 Habyarimana amaze kubaha ihumire bararoye bati : «abahutu baracyarakaye reka tube twibagije ibyo kubakura ku ntebe zabo, tubanze tubahakweho, tubinjire kugera ku ndunduro y'amahanga aka Cyambara-ntama, hagati aho Habyarimana abe asanasana Repubulika ya kabiri, bityo igihe ni kigera tuzabone tubufate. Habyarimana yari yababereye inararibonye, ntivyatumye babyuririraho ngo basingire ubutegetsi. Umushiru ayobeye iki ? Ko yenda ise yari yaramunguriye ku ibanga rya ba saku-ruza ryatumye abatutsi batarigeze babasha kwigarurira icyo abaswa basigaye bita akazu k'ingoma-mpu-tu-nshiru. Habyarimana ahubwo yarabahatse biratinda, bibashobeye bitabaza iza Museveni. Ariko se babo-naga ko uwo mugabo w'umuhima ashobora gutsinda uwo yacyiyeho incuro igihe yamusemberezaga, ubwo yavundagurikaga mu kinani arwana na Obote ? Ibyo byose bima-ze kubapfana bibuka ko mu gihe cyabo ba sekuru intsinzi bayibonye mu karere k'igihugu cya Mashira. Bati : «Ubwo Habyarimana atunaniye reka tugane amajyepfo yenda ntutuzabura abo duhenda ubwenge». Ntibyatanzwe, bakigerayo bakizwa impundu nyinshi, baracumbiki-riwe, bisasira PL biyoroza MDR.

Bukeye bihererana Twagiramungu na Mugenzi bati : «Mudutize aya mashyaka yanyu buracya tujya mu mihanda gutera imidugararo kugeza ubwo tuzahirika igihangange Habyarimana uva mu kazu umututsi yananiwe kwigarurira kugeza ubu. Ngaho rero intambara barayishoje. Ngaho mu mihanda baravuzaba abagenzi amabuye, barapfumura otobisi babuza abana kujya kwiga, baratukana iby'abashumba, barasho-tora ingabo z'igihugu ari nako bage-razza kuzisopanya, barateranya amoko n'uturere...

Gatabazi na Ngango bo muri PSD tuziho ubuhanga no kuvugisha ukuri barabiroye bati : «N'ubwo tutumvikana n'ubutegetsi buriho, ntiturageza aho guhirimbana kubusimbuza ubw'inkotanyi». PSD yibohojye ityo mu mutego wa Gacumbabuhake. Ikwiye kubishimirwa kandi igahita ihabwa imyanya ikwiye muri Guverinoma y'inzi-ba-cyuhu. Ese MDR nayo izibohora ? Sinzi ko byashoboka bene wabo ba nyina wa Twagiramungu bakiri hanzu. Ndagize nibariza Mugenzi n'abayoboke be. Mu byo aherutse kuvugira kuri Radio Rwanda yemeza ibyari byatangajwe na Bizimungu Pasiteri ko PL ikorana n'inkotanyi nta cyadutangajemo kuko twari dusanzwe tubizi. Ariko se yongeraho ngo icyabibateye ni uko ubutegetsi bwanze kubabwira impamvu nyakuri na kamere by'iyi ntambara, ibyo bigatuma tumenya ko mwe hari impamvu nyakuri na kamere muzi, kandi ngo mukaba mugaya leta ubuswa bwo kuba itazizi, uwafata umwanzuro ko muri mu bataguye igitero hari icyo yaba yibeshye ho ? Uwavugaga se ko ari cyo gituma mwemeza ko mufashe ubutegetsi intambara yahita irangira yaba yibeshye ? None se ko inkotanyi (ari zo mwe) zifashe ubutegetsi zakomeza kurwana zishaka iki ? Aho wibeshya rero Mugenzi n'inkotanyi zawe, n'uko wibwira ko nimufata ubutegetsi intambara izarangira kandi mu by'ukuri ari bwo iya 59 izatangira. Ngaho rero ba uhambira uturago.

Niba wasobanukiwe neza n'iyi nyandiko usanze interuro ngo «Harabayeye ntiha kabe» ifite ishingiro ni indengero ryayo. Kuko abibeshya

ngo bazi ubwenge, bwarangiza iyi ntambara, biyibagiza ko ubwabo iramutse irangiye izo nkotanyi zigataha, twe tubona hari n'abandi bazi ko hari n'ukundi byagenda.

Tumaze kwihangana bihagije, imvugo siyo ngiro, icya ngombwa ni ibikorwa ! Mugenzi reka guko-

meza kuroha abo «Bana b'Imana» ku rugamba, mu Rwanda kandi abashavuye, abarakare, abiteguye guhora bariho ubazi. Komeza ushinyike ngo wowe uvugana n'Inyenzi ! Komeza urohe abatutsi ku icumu nk'uko Kanyarengwe yabashyeye mu Mutara. Komeza uba-rohe mu myivumbagatanyo mu gi-hugu nk'uko umwana w'umushiru, umuhutu, Bizimungu Pasiteri akuroha ngo muri kumwe we yibereye i Burayi.

Ibiba muri Kapitali muri iki gihe twese dusanzwe tubizi, kandi niko bisanzwe. Iyo umwanzi acika intege, atararekana, ntaho adapfunda imitwe, nkuhiriye mu nzu. Musomye muri KANGURA No 28 (urup. 7) ibaruwa uwiyise Tirwomwe Patrick yandikiye ababo bari imbere mu gihugu, mwasanga programu yabo ikiriho. Hari aho avugaga mu gice cya kabiri cy'iyi baruwa ati : «Tugomba buhoro buhoro kurwana stability iwacu, tukabona uko tugera ku ntego yacu». Arakomeza ati : «Ayo mashyaka wowe wishisha ni ayacu, nwose azabidufashamo... buri shyamba ryahawe ubutumwa bwaryo. Mugomba kubimenya kandi mu kayinjiramo. Amashiringi (amafaranga) si yo mubuze yo gucungera hose mu bwenge kandi mugakomeza guha urubuga ibinyamateka byanyu (iby'ibitso by'inkotanyi), bakabitesha umutwe, tukabyigarurira twitonze. Nibiba necessary ubwo tuzitabaza terrorism na banditism bananirwe. N'ubwo muri bake rero, ayo mashyaka yacu muyame-nye...»

Ariko Mugenzi warahira ngo iyi baruwa ntivyakugezeho ? Amabwiriza akubiyemo ntuyubahiriza riva ? Shoza intambara mu gihugu rwagati. Uzi uko uzayihosha. Uretse ko urebye nabi...! Harabayeye ntiha kabe !
